## Accessories

### Sanitary Fittings

We stock a variety of sanitary fittings from Dixon, Topline, PT and LGV. We have a large selection of vendors, so if we don't already stock it we can get it. Custom configurations are also available, contact our inside sales team for more information.

*Let us help you streamline your CIP/SIP process.*

### Washdown Equipment

From hoses, nozzles and mixing stations, we have the products to fulfill your needs.

## Capabilities

### Custom Assemblies & Testing

Our experts build custom assemblies tailored to your brewery or winery's production needs. We fabricate transfer, suction, washdown, and multi-purpose hoses among others, to ensure your facility has the right hose to keep your equipment running smoothly.

We also offer hydrostatic testing services to help ensure your hose continues to perform at optimal operating levels.

### Crimping

At ARG Industrial, we have implemented meticulous crimping procedures to ensure that each type of hose has its own individual specifications, guaranteeing optimal fitting retention. Additionally, we offer alternative options such as bands, clamps, and push-on fittings to cater to the varying needs of your hose.

### Banding & Transport

Your factory direct source for Bandit, Punch-Lok and all your other clamping needs. For those heavy loads, we carry oversized totes made for easy transporting.

### Strap Binder

The perfect tool for your in field repairs.

### Totes

# Suppliers

Since 1969, ARG Industrial has been a trusted supplier of custom-made industrial hose assemblies. Our dedicated staff is ready to assist you whether you prefer to call in and pick up your product at our convenient will call counter or bring in your damaged hose and have a new one created on the spot. With our expertise, we excel in manufacturing for a wide range of applications, including food, tool airlines, fuel dispensing, chemical transfer, and even 8" material handling.
