Flexco Fasteners

We offer a full line of Flexco mechanical fasteners and tooling to get the job done. Do it yourself or have ARG install them for you in house and save you time in the field.

Standard & Custom Repairs

We have the perfect products to repair gouges and rips to extend the life of your conveyor belts

Custom Work

We specialize in cold vulcanizing rubber to rubber and rubber to metal for almost any application.

Service & Splicing

- In-house or on-site mechanical and vulcanized splicing.
- Conveyor system troubleshooting.
- Our splice technicians are factory trained and MSHA certified.
- Rip repair and patching
