

Crimper Program

Providing Flexible Industrial Solutions to Power & Lift Your World.

Crimper Lease Program

ARG Industrial offers a comprehensive Crimper Lease Program for all types of businesses, small to large.

Do you have an existing or old crimper?

We can help you decide if a new crimper is the right choice. We assist with swap-outs, and training for new crimper machines.

Lease

Lease durations start at 2 years, stock orders based on model type, usage and user requirements.

Tiered Pricing

Customers who lease a machine are extended volume discounts for buying in bulk.

Quality Products

More than just hose, ARG Industrial stocks adapters and products from industry leaders to support all your needs.

Lease Options

At the completion of a lease, customers may qualify for an extended lease option, or may choose to purchase the crimper at a discounted rate.

Vendor Managed Inventory

Once your crimper is placed, ARG Industrial's VMI service will help manage your inventory so you can focus on your business!

Product Selection

We take pride in offering a wide range of premium hose & fitting products designed to help you complete your projects with precision & efficiency.

We are the secret to your success!

On-Site Crimping

Having a crimper on-site can take your business to the next level. The right tools and training can save you time and money. Let ARG Industrial's knowledgeable staff assist you in choosing the right crimper and accessories for your location.

Training & Safety

Safety is something we take to heart. We offer extensive operating and safety training for you and your staff. We will also show you how to care for your machine so it keeps working great for years to come.

Customize

You need options, we can help you design a custom crimp work area to maximize space and efficiency. Whether it's in a building or the back of a truck, we can help you work smarter, not harder!
